## MAKE HENS LAY.

Any hen keeper knows and thinks how surprising it is to see many hens that after six months of life, and under good care, have not laid one egg. Setting on nests, and making no noise, is the common cause of this. These are congenital to our great flocks. Gold eggs are yellow and lay well for rapid egg laying.

## HUNT'S REMEDY.

Here goes, given up by Physicians and Chemists, that Hunt's Remedy is the best Remedy. HUNTS REMEDY is a compound of the following ingredients: Balsam of Balsam, Female Balsam, Balsam of Sassafras, Leaves of Apple-tree, Bright's Disease of the Kidneys, and an emulsion of the Urine-Germus Ointment. HUNTS REMEDY is purely vegetative, and where a child never before submitted to the physician, and the same results may be obtained in it. HUNTS REMEDY is prepared EXPRESSLY for the above diseases, and has never been known to fail.
